

PINELLAS COUNTY SHERIFF'S OFFICE
FLEET TECHNICIAN
Job Code: 70021

CHARACTERISTICS OF THE CLASS

Under the general supervision of the Vehicle Maintenance Assistant Supervisor, incumbents perform skilled mechanical and technical work related to the evolving design, development, maintenance and repair of light and medium duty vehicles and equipment. Incumbent must possess in-depth knowledge and skill in the performance of mechanical and technical tasks involving design, installation and up-fitting of new vehicles, computerized diagnostics, preventative maintenance, and rebuild/repair of light and medium duty vehicles. Technicians are required to exercise good judgment and individual initiative in handling routine work and special assignments. Work assignments are made orally and/or in writing and job performance is reviewed and measured through observation of results attained. Performance results are measured, recorded and periodic evaluations provided.

EXAMPLES OF DUTIES

Design, development and installation of various up-fitting equipment packages for law enforcement specific vehicles, maximizing member safety, performance and ergonomics.

Inspects, diagnoses, repairs and performs preventative maintenance on various types of automotive and related equipment.

Performs various diagnostics and repairs on engines, cooling and air conditioning systems, electrical systems, transmissions, drivelines, suspension and ABS brake systems.
